IT Helpdesk Process Flow

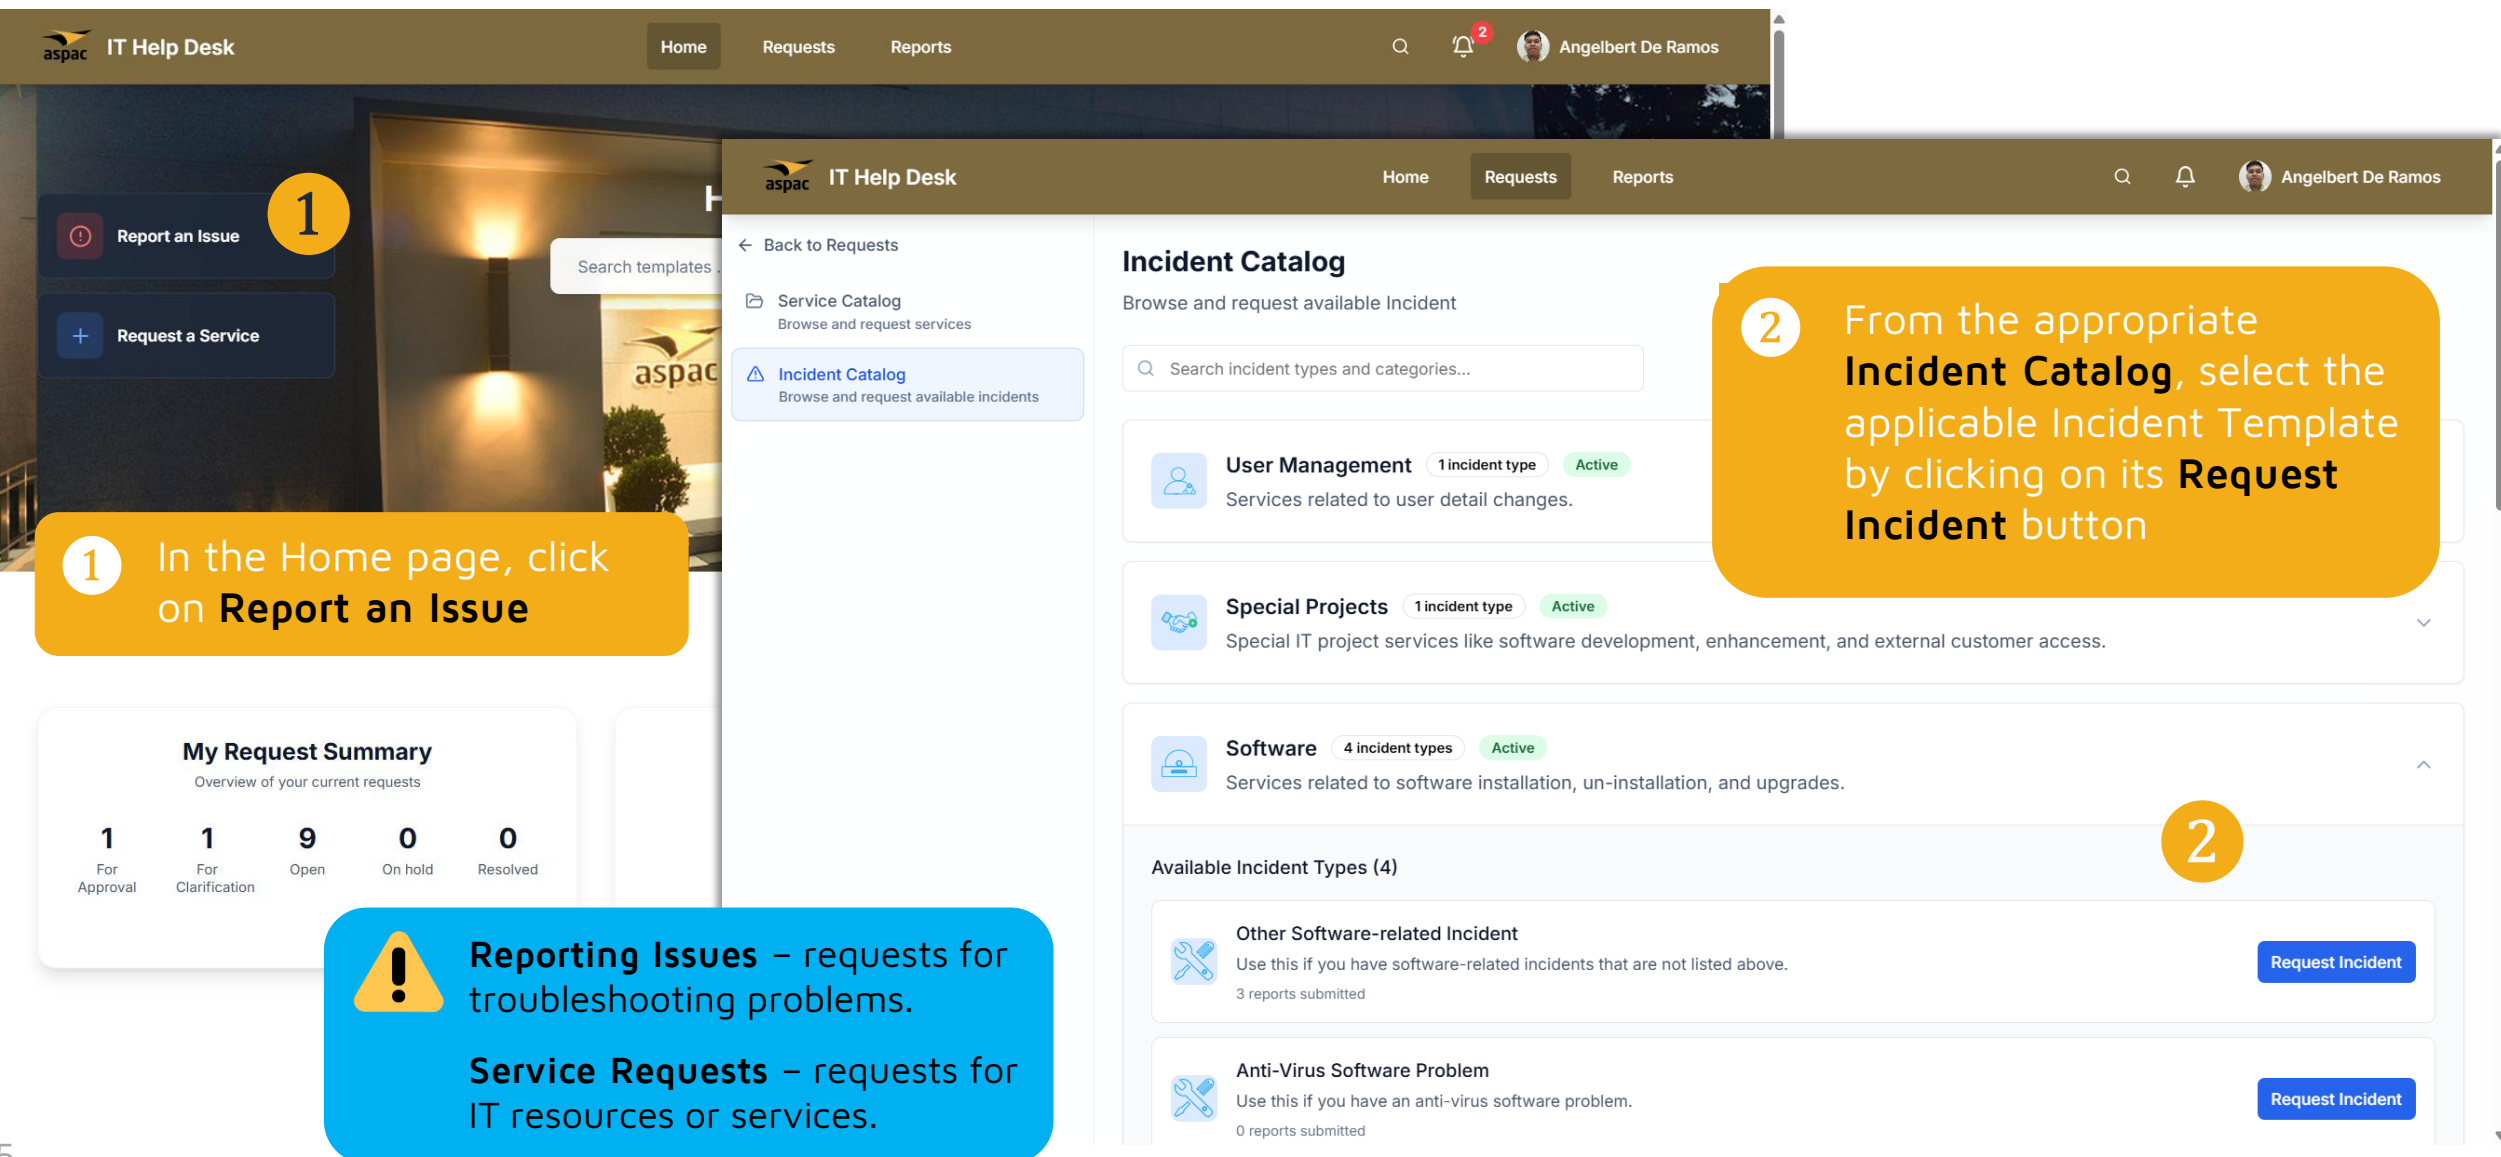

The screenshot shows a web browser window with the address bar displaying `http://ithelpdesk.aspacphils.com.ph`. The page features the ASPAC logo and the text "IT Help Desk" and "Version 1.250828". There are two input fields: "Username" and "Password". Below these fields is a blue "Log in" button. A yellow circle with the number "1" is placed over the address bar, and a yellow circle with the number "2" is placed over the "Log in" button.

1 Open your internet browser (e.g., Google Chrome) and, in the address bar, type in: `http://ithelpdesk.aspacphils.com.ph`

2 Enter your **Username**, **Password** and then click on the **Login** button

The screenshot shows the IT Help Desk interface. On the left, the 'Home' page has a 'Report an Issue' button (1) and a 'Request a Service' button. Below this is a 'My Request Summary' section showing 1 For Approval, 1 For Clarification, 9 Open, 0 On hold, and 0 Resolved requests. On the right, the 'Requests' page shows the 'Incident Catalog' with a search bar and a list of incident types: User Management (1 incident type, Active), Special Projects (1 incident type, Active), Software (4 incident types, Active), and Available Incident Types (4). The 'Available Incident Types' section includes 'Other Software-related Incident' (3 reports submitted) and 'Anti-Virus Software Problem' (0 reports submitted), each with a 'Request Incident' button (2).

1 In the Home page, click on **Report an Issue**

2 From the appropriate **Incident Catalog**, select the applicable Incident Template by clicking on its **Request Incident** button

Reporting Issues – requests for troubleshooting problems.

Service Requests – requests for IT resources or services.

The screenshot displays the ASPAC IT Help Desk interface. The top navigation bar includes 'Home', 'Requests', and 'Reports'. The user is logged in as 'Angelbert De Ramos'. The main content area is divided into two sections. The left section, titled 'IT Help Desk', features a 'Report an Issue' button and a 'Request a Service' button, with a yellow callout '1' indicating the 'Request a Service' button. Below this is a 'My Request Summary' section showing the status of requests: 1 For Approval, 1 For Clarification, 9 Open, 0 On hold, and 0 Resolved. The right section, titled 'Service Catalog', allows users to browse and request available services. It includes a search bar and a list of service categories: 'User Management' (8 services, Active), 'Special Projects' (2 services, Active), and 'Software' (11 services, Active). Below these are 'Available Services (7)', including 'Other Software-related Services' and 'Software Uninstall', each with a 'Request Service' button. A yellow callout '2' points to the 'Request Service' button for 'Other Software-related Services'. A blue callout box at the bottom left explains the difference between 'Reporting Issues' and 'Service Requests'.

1 In the Home page, click on **Request a Service**

2 From the appropriate **Service Catalog**, select the applicable Service Template by clicking on its **Request Service** button

! Reporting Issues – requests for troubleshooting problems.

Service Requests – requests for IT resources or services.

2 Alternatively, click on the **Requests** tab then click on a specific **#Ticket**

3 Click on the **Approvals** tab to view approval status.

Click on the **History** tab to view historical activities.

Click on the **Resolution** tab to view resolution notes.

The screenshot shows the ASPAC IT Help Desk interface. The top navigation bar includes 'Home' and 'Requests'. The main header area has a search bar and a 'How can we help you?' message. On the left, there are buttons for 'Report an Issue' and 'Request a Service'. A notification dropdown menu is open, showing a list of notifications. The first notification is 'Request Resolved: #433' with a checkmark icon. The second is 'Request Assigned: #433' with a person icon. The third is 'Request Created: #433' with a document icon. The fourth is 'Request Auto-Closed' with a bell icon. A 'View all notifications' link is at the bottom of the dropdown. A yellow callout box with the number '1' points to the notification icon in the top right corner of the interface.

1 In the Home page, click on the **Bell Notification** icon then click on the **Resolved Ticket#** in the list.
